

## PRESS RELEASE

Sèvres, 5 January 2016

### **SoLocal Group announces the acquisition of Effilab, search engine and social network advertising agency**

- **SoLocal Group, the European leader in local digital communication, is to acquire 100% of Effilab's shares.**
- **Founded in 2011, Effilab is an agency with a strong expertise in managing online advertising campaigns on search engines and social networks. Certified and considered as a major agency specialised in Google AdWords™ and Facebook Ads™, Effilab already serves around 200 large clients in France and abroad.**
- **This acquisition constitutes a new milestone for SoLocal Group who has been partnering with Google in France since 2013 (as a certified AdWords SMB Partner™ and offering a joint package of B2B services to small and medium businesses since 2015) and consolidates SoLocal Group's portfolio of Adwords solutions. The objective is to support businesses with increasingly innovative and effective technologies that will optimize their local listing, increase their online visibility and generate qualified traffic to their stores and websites.**

Pascal Garcia, SoLocal Group's Executive Vice-President in charge of strategy and partnerships, declared — *"We are very pleased to onboard Effilab. Its know-how in search engine and social network advertising will enable us to strengthen our leadership in digital marketing and our performance-based approach for our clients. We already advise 550.000 companies on a day-to-day basis on their local advertising campaigns. Thanks to Effilab's new solutions, we intend to serve, even more effectively, our clients and offer them the highest possible return on investment and best local listing to generate the leads they need"*.

Louis Duclert and Olivier Van Den Broek, Effilab co-founders and CEOs declared — *"This acquisition combines Effilab's expertise in Adwords and Facebook with Solocal's sales power. It will enable us to serve tens of thousands of clients based on large-scale processes without damaging the quality standards expected by the premium advertisers that Effilab is already advising."*
