solocal is the leading partner for small and medium-sized businesses, and pagesjaunes is the essential and useful media brand for everyone – and indispensable to companies.

Solocal, France's leader in digital marketing, supports local businesses – mid-caps, very small businesses, SMEs, major retail chains and public institutions – in their digital transformation and business development. Every day, hundreds of thousands of businesses in France rely on its solutions: online presence management, website and e-commerce creation, and digital advertising. With pagesjaunes, its flagship brand, solocal helps internet and mobile users find the professionals that meet their needs.

Backed by scalable technology platforms, geolocated data, a massive audience, and a commercial network unique in France, solocal works with the major global tech platforms (GAFAM) to maximize the effectiveness of its digital services.

Its subsidiary Regicom complements this offering by providing local businesses with high-performance solutions in e-commerce, project management, and digital strategy. Together, solocal and Regicom contribute to energizing local economic life by offering innovative and effective digital tools.
